

BERG's Prestigious 'Icons of Spaces' Award for Mr. Anil S. Hinge of RASS Project Consultants Pvt. Ltd.

Mr. Anil Hinge bags the Builder & Developer Awards in the Best Project Management Consultant of the year category

SINGAPORE, 22 JULY, 2016: Mr. Anil S. Hinge was awarded the “**Best Project Management Consultant of the year**” Award by BERG Singapore at the Icons of Spaces, 2016 conclave at Singapore.

The 3rd edition of BERG Real Estate Awards, held at Raffles Town Club Singapore, dwelt on the challenges on ‘Urban Solutions & Sustainable Development’ and honored developers, architects, interior designers and other service providers in the real estate/property sector across India, SE Asia & Middle East.

Mr. Anil Hinge, Director of “RASS Project Consultants Pvt. Ltd. Pune” meets the increasing demand for Responsive, Cost-Effective, Construction Quality, Project Management Services for construction projects in various sectors like Industrial, Institutional, Residential, commercial and infrastructural development throughout India. He and his team of engineers have extensive experience in the construction industry including engineering, estimating, construction management, scheduling and ES&H compliance.

As a Project Management Consultant, the organization strives to reduce construction risk, control construction costs, keep the project on schedule and ensure high construction quality. Regardless of a project's size or complexity, the organization focusses on harnessing end-to-end solutions and tailor them to meet the client's needs.

Upon formation of “RASS Project Consultants Pvt. Ltd.” the organization delivered its project management services for many reputed multinational companies to establish their industrial units throughout India.

The Gala Awards Night also featured a power-packed panel discussion around Urbanisation & Sustainability in Construction with some well known industry stalwarts from Singapore and other countries

While announcing the theme for the third edition of the premier event, Managing Partner of BERG, Mr Vishwesh Iyer said that this year the focus was on the booming international real estate sector. This time, the nomination process attracted a lot of interest from India and other countries in Asia as well, he stated.

“Icons of Spaces provided a unique platform for not just recognising the great work, but also knowledge sharing and business networking opportunities. Based on a

selection process that encompasses integrity, transparency, consistency and fairness, the aim is to provide global benchmark and recognition,” Mr. Iyer added.

The BERG Real Estate Awards were introduced by Singapore-based organisation Business Excellence & Research Group Pte Ltd in 2014. The Awards, now called the ICONS OF SPACES, shines the spotlight on the high calibre work within the real estate industry, encompassing construction, architecture and interior design. With a professionally run evaluation system, they also bring the real estate industry of the participating countries to the world stage.
