The Institute's Governing Body works to offer cutting-edge teaching and learning facilities. This is made possible through proper governance, well planned activities, and decision-making in the interests of the students. Primarily the Governing body concentrates on the infrastructural and recruitment at the Institute level. Some other key points which are taken into consideration are as below:

- Approving Quality Education Strategy for the College.
- Approving annual budgets, estimates of income and expenditure.
- Setting a framework for the pay and conditions of service of all staff.
- Approving the important decisions and amendments as required by the Institute.
- Ensuring the implementation of the recommendations of the Governing Council.
