The Principal,

PREC, Loni

Subject: Permission for to arrange bicycles event in our college campus.

Respected sir,

On behalf of our college Pravara Rural Engg. Collegem, Loni want to take bicycles events for staff and students for social awareness which is schedule on 06/11/2017 at 9:00 am.

Bicycles provide numerous benefits in comparison with motor vehicles, including the sustained physical exercise involved in cycling, easier parking, increased maneuverability, and access to roads, bike paths and rural trails. Cycling also offers a reduced consumption of fossil fuels, less air or noise pollution, and much reduced traffic congestion.

So, please give a permission for such event.

Thank You

(Dr. Y. R. Kharde)
